 “First Ever” Pickleball Tournament in Williamsburg
 Official USAPA Event October 16,17, 2010

Pickleball is one of the fastest growing sports among seniors in the United States. Recently, a Pickleball tournament was held in Williamsburg at the Colonial Heritage community, an over 55 community developed by Lennar Corp.

There were 50 top players from as far as Washington State, Michigan, Maryland, North Carolina, Richmond, Northern Virginia, Chesapeake, and 20 players from the greater Williamsburg area. The 2 day event featured play for all ages, and events for seniors by 10 year age categories, starting at 50 up.

Pickleball in Williamsburg was non-existent 4 years ago and is now being played in 4 locations here. Listed below are the published results that can be found on the official Pickleball web site, USAPA.org, under tournament results. Also on this web site are rules, training films, upcoming tournaments, and more. Anyone interested in playing in Williamsburg can contact the ambassador, Page Sutton, at pagewsutton@cox.net
